The Last Goodbye

The Hobbit - The Battle of the Five Armies

Lead and cypher, almost nearly as sung by Billy Boyd in the worldwide-spread audio

C        C        C

I saw the light fade from the sky. On the wind I heard a sigh.
C        Am        F        Am        F

As the snowflakes cover, my fallen brothers, I will say this last goodbye.
C        F        C        Am

Night is now falling, So ends this day.
F        C        G

The road is now calling and I must away.
Am        F        C

Over hill, and under tree. Thorough lands where nevershine.
G        Am        F

By silver streams that run down -
The Last Goodbye

F - to the sea

Am/E - cloud, beneath the stars

F - Over snow and winter's

G - morn

Dm - I turn at last to paths that lead

G - home.

Dm - and though where the road then takes me,

Am - I cannot tell.

G - We came all this way,

F - but now comes the day to bid you farewell.

G - Many places I have been.

C - Many sorrows I have seen.

Am - But I don't regret, nor will I forget, all who took that road with me.
